FRONT LINE RESOLUTION

If you want to be a knife fan, it's best to start early. The new kit from Elite Force contains all the parts of a folding knife, but made of rugged synthetic and without a sharp blade.

Kids can learn how a linerlock works and build their own knife.

Früh übt sich, wer später ein Messerfan werden will. Das neue Kit von ELITE FORCE enthält alle Bauteile für ein Klappmesser, aber eins aus stabilen Kunststoffteilen und ohne scharfe Klinge.

Lernen, wie der Klappmechanismus „linerlock“ funktioniert und dabei sein eigenes Messer zusammenbauen.
